

About **Abms SoftTech (P) Ltd**

Abms SoftTech (P) Ltd, is an offshore company to support our **Abms Tech Inc**, in America. **Abms Tech Inc** is a management consulting, technology services and outsourcing company. **Abms Tech Inc** is part of **Augustine Group of Companies** and our group diversified into different business in India and around the globe.

Abms SoftTech (P) Ltd, is a US based company to serve the clients in **India** and bridge the gap in office automation. We are main dealer for major brands like Canon.... etc in southern part of Tamil Nadu. We feel there is no proper organization in southern part of Tamil Nadu to serve the Customers with sales & service support in the computer industry. We are happy to fill the gap and go beyond your expectation in sales and service support. We promise you that you will have 100 % satisfaction with our service because we understand the importance of your business. Our office automation solution will help you to grow your business and stay as market leader in your verticals.

Our Products & Services

"Quality in a service or product is not what you put into it. It is what the client or customer gets out of it."
